Message to the Parish:

The renovation project is moving forward. The sacristy has been rebuilt, the floor is being prepared for the new surface, and new seating for the sanctuary is being reviewed for final selection.

The renovation committee has been working hard to complete the project. We pledge to keep the congregation updated as things move forward. In that effort, we will post pictures of the progress.

We just got delivery of our new processional cross. This was created and designed with the assistance of Portfolio Gallery and Robert Powell, it's founder. This is the first finished piece of the renovation project. Many other items are on the way.

If you have ideas, please share them by sending an email to [byoung1748@yahoo.com](mailto:byoung1748@yahoo.com).

Respectfully,

*Bill*
