“But these are written, that ye might believe that Jesus is the Christ, the Son of God; and that believing ye might have life through his name.”

~ John 20:31

Google: John the author of the Book of John and John the Baptist are not the same person. John the Apostle was one of the original twelve Apostles of Jesus. He was the son of Zebedee. He is often referred to as the “beloved disciple” mentioned in the Gospel.

John the Baptist was a prophetic preacher, a cousin of Jesus, the son of Zechariah and Elizabeth. He baptized people including Jesus. He made the way for Jesus’ ministry.
